The Developmental Reading Assessment (DRA) measures students' reading progress. It helps educators observe students' progress over time, group students according to their instructional needs, and improve instruction. Steven G. Feifer, DEd, Professional Manual by Steven G. Feifer, DEd, and Rebecca Admin time: 35 minutes for PK, 60 minutes for K-Grade 1, 75 minutes for Grade 2+, 15-20 minutes for Screening Form. It takes a neurodevelopmental approach to reading, which suggests that multiple neural systems are involved. Two studies explored the technical adequacy of various DRA versions.
